Frequently Asked Questions

Reserving the space

- There are no room rental fees for private or semi-private areas. There are varying minimum food and beverage expenditures to have the Medici Room completely private, depending on the date, time, and seasonal availability. There will be a room charge for the private room if the minimum is not met. The room charge would be the difference between the actual expenditure and the minimum. Food and beverage expenditure does not include tax and gratuity. Event start times may vary according to prior bookings.

Guest guarantee

- On days and times of year when minimums do not apply, we ask for your final guarantee 48 hours in advance of your event, to ensure menu availability, and staffing. Due to advance preparations required for special events, final numbers are subject only to a 10% decrease. Increases made 24 hrs prior to the event can usually be accommodated.
- To ensure availability of your menu choices, we ask that you select your menu 5 days prior to your event. Menu prices and availability are subject to change seasonally. For health and liability reasons, we are unable to package large amounts of left over food to go.

Special Fees

- We invite you to select from our extensive Californian & Italian Wine list. If you would like to provide us with wine to serve your guests, the cost of wine service is \$15 per 750ml bottle.

Extras

- We can recommend florists, balloons, rental equipment....etc. Just ask us!

Our receipt of this signed contract and the credit card deposit form is considered a confirmed reservation.

verification, signature and payment. A service charge of 20% and California state tax of 8.25% will be included on all food and beverage sales, including corkage fees. We accept Visa, MasterCard, American Express, Diners, and corporate checks. We are unable to accept personal checks.
